THE GIVING CLUB COVENANT

The Giving Club is a chance to for your children to engage in a philanthropic call to action. This is an intentional decision on the part of a child and his or her family to influence change with his or her thoughts and actions. By signing the below agreement together, you and your child are accepting a vision of citizenship that is informed, engaged and active and understanding that influencing change provides your family with new and meaningful relationships with others. There are many notable causes in the world and the more we know about them, the better we will be as neighbors to all. After all, with great privilege comes great responsibility! Thank you for choosing to raise your child with this spirit of generosity and engagement.

This process must be supported and nurtured by the parents and family of The Giving Club participant.

The Participating Child's Covenant

I agree to fulfill all the expectations to the best of my ability: to make it my responsibility to get to all events to openly share my thoughts, have fun, keep an open mind and give back.
