CHURCH
OF
HINSDALE

MINISTRY
FOR
Change

Turn a part of your day off into a day on!

Taking place each year on the third Monday in January, the Martin Luther King, Jr., Day of Service (MLK Day) is the only federal holiday that is also designated by Congress as a national day of service – a “day on, not a day off.”

Monday, January 15, 9:00 - 10:30 am

Fight the “blahs” by helping others!

Union Church Ministry for Change and Staff invite members of the congregation, community and UCECP families to join us on their "day off" to participate in various service projects designed with all ages in mind, but most especially young children. Children can participate with their parents or caregivers and will be able to stay for as little or long as they like at various stations around the church... come and go as you please during the morning!

RSVPs are encouraged to help us plan supplies and prep materials, but also feel free to stop in anytime!

Generous. Open. Connected.

We believe church is for anybody and everybody - no exceptions. Young, old, married, single, struggling, thriving, gay, straight, people with any religious background, doubting, trusting, families with young children, those of long life – yes, *everyone* is welcome at the Union Church of Hinsdale.
