

BRIDGING BORDERS

**CHILDREN'S RIGHTS TO DIGNITY,
CIVILITY, & DIALOGUE**

in Rowell Hall after 10:00 a.m. service

NOVEMBER 3, 2024

*As we head into election week there is sure to be a lot of noise coming our way in the coming days. To help center ourselves and in the spirit of our fall theme, "All Means All", we want to elevate the voice of some of the most important among us: **children.***

EVERYONE WELCOME!

This is a deeply moving presentation about a study that was carried out at Bonita (Beautiful) and La Escuelita (The Small School), two federally-funded Head Start Child-Parent Centers located within two miles of the U.S./Mexico border.

Teresa Acevedo will walk us through a research project that began as a study of fences, walls, and enclosures common to the experience of all children and lead to the story of the border fence, as described by the young students.

Terry is an early childhood consultant and the executive director and co-founder of the Tucson Children's Project, which works to develop community projects that bring people and resources together in dialogue and further understanding.

Presented in Partnership:

GENEROUS. OPEN. CONNECTED.

We are an **open and affirming** Congregation.

Union Church is a *thinking church.*

Together we ask questions and explore the world beyond ourselves. We aim to grow in kindness and generosity with **all people.**

Join us.
